Crave Press Author Releases Dystopian Novel

*L.T. World releases *For the Sake of Freedom* through Crave Press*

Leesport, Pa. – Author L.T. World’s dystopian novel *For the Sake of Freedom* was released November 22; it is currently available on Amazon, Barnes and Noble, and IndieBound, and it will soon be available through the Crave Press website. This is his second novel released through Crave Press.

In *For the Sake of Freedom*, the incurable nature of Orbis City, the last civilization on Earth, drove the people to near extinction. Dr. Hartford, leader of the mysterious Sigmund Project, hopes to cure Orbis of its fruitless vanity. He is willing to do anything to preserve the human race, even at the cost of people’s freedom, unless a radical named Oliver changes Dr. Hartford’s mind by showing him a way that doesn’t require evil but instead leads to a new world entirely beyond Orbis City’s foreboding walls.

L.T. World is a graduate of Eastern Lebanon County (ELCO) High School in Pennsylvania and a current student at Lebanon Valley College (LVC). He began writing in eighth grade when his English teacher encouraged him to pursue a writing career, and he began submitting his work to magazines and publishers during his senior year in high school. L.T.’s first book, *Prophesy*, was published by Crave Press. When he’s not writing, L.T. enjoys reading and spending time with friends.
