Author Releases Second Book of Childhood Tales

Thomas M. Malafarina releases Growin Up Skook 2 Memoir Through Crave Press

Leesport, Pa. – Thomas M. Malafarina’s memoir of childhood tales from growing up in Schuylkill County, Pa., is now available on Amazon, Barnes and Noble, and IndieBound as well as select retailer sites.

Growing up in the 1960s in small-town America was an era filled with fun, interesting, humorous, and often mischievous stories. Author Thomas M. Malafarina introduced readers to the stories of his youth in small-town America’s Ashland, Pa., in Schuylkill County with his bestselling memoir *Growin’ Up Skook*. The book was so well-received by readers who grew up not only in “the Skook” but also in similar small-town America locations that they asked him to write a follow-up book. We give you *Growin’ Up Skook 2: More Stories From “The Skook.”*

Malafarina is primarily known as an author of horror fiction. He has published numerous horror novels and collections of horror short stories. He has also published a book of often-strange single panel cartoons. In addition, many of Thomas’ stories have appeared in anthologies and e-magazines. Some have been produced and presented for internet podcasts and radio plays as well. Thomas earns his living as an advanced machining engineering manager. He is also an artist, musician, singer, and songwriter. A native of Ashland, Pa., he now lives in western Berks County, Pa., with his wife JoAnne.

Crave Press is a fully integrated publishing company that engages in title acquisition and development, editorial, design, promotion, sales, warehousing, and distribution. It publishes fiction and non-fiction books in a wide range of categories and formats. For more information, visit www.cravepress.com.
