**Author Releases Second Edition of Technical Manual**

*Thomas M. Malafarina releases 2nd edition of Link-Tuit through Crave Press*

Leesport, Pa. – The second edition of author Thomas M. Malafarina’s technical manual *Link-Tuit: A System to Organize Your Life* is now available on Amazon, Barnes and Noble, and IndieBound as well as select retailer sites.

Now in its second edition and newly updated to reflect Office 365, this step-by-step, illustrated manual by Advanced Computer Numerical Control Manufacturing Engineer Thomas M. Malafarina explains how you can utilize Microsoft Word’s hyperlinking to organize and link all of your documents in a simple and logical fashion. Malafarina’s system, refined over more than twenty years, has helped him easily organize and access thousands of professional and personal documents across hundreds of subdirectories at a moment’s notice, and it can do the same for you. Whether you’re an engineer, an accountant, a lawyer, a doctor, an automotive repair man, a writer, or any profession that requires you to have quick access to documentation, Link-Tuit is an easy system to organize your life.

Malafarina is primarily known as an author of horror fiction. He has published numerous horror novels and collections of horror short stories. He has also published a book of often-strange single panel cartoons. In addition, many of Thomas’ stories have appeared in anthologies and e-magazines. Some have been produced and presented for internet podcasts and radio plays as well. Thomas earns his living as an advanced machining engineering manager. He is also an artist, musician, singer, and songwriter. A native of Ashland, Pa., he now lives in western Berks County, Pa., with his wife JoAnne.

Crave Press is a fully integrated publishing company that engages in title acquisition and development, editorial, design, promotion, sales, warehousing, and distribution. It publishes fiction and non-fiction books in a wide range of categories and formats. For more information, visit [www.cravepress.com](http://www.cravepress.com).
